Rules and Eligibility Requirements for the Cemetery Program

- 1. A onetime payment of \$450.00 in advance.
- 2. \$35.00 membership and cemetery expenses per month.
- 3. Eligibility starts upon the advance payment of \$450.00 and the regular membership and cemetery fees of \$35,00 after 18 months.
- 4. Spouse and unmarried children up to 18 years old are covered by the cemetery program.
- 5. If a family member marries, he/she is treated as a separate family and will not be covered by this program. However, he/she can apply and the 18 month laps will be waived, but all other conditions will apply.
- 6. The mosque is responsible to provide a burial plot, outer burial concrete container, and pay the interment fees.
- 7. The mosque is NOT responsible for the transportation of the body and the mortuary or "cold room"/mortuary charges.
- 8. If a member of the cemetery program does not pay his/her membership fee for six consecutive months, he/she will lose his/her eligibility. However, he/she will regain his/her membership rights and eligibility if he/she pays all her past due fees. Otherwise, he/she will be removed from the cemetery program all together. If, however, he/she wants to rejoin the cemetery program, he/she has to pay his/her past due fees and wait 18 months in order to benefit from this program.
- 9. The cemetery program members are required to notify the mosque if they change their phone number or address. They are also expected and required to notify the mosque about changes in their marital status and new born babies.
- 10. The cemetery membership fees and the advance payment of \$450.00 are nonrefundable.
- 11. The cemetery membership rights are not transferable.
